## *The World of Lee High*

This is the world of Lee High -- our world. As seniors, we look back five years and see ourselves as eighth-graders first entering this world, a little hesitant but still anxious to become a part of Lee. Gradually we have become a class, growing together as we traveled along the "Leeway." Now we

look down that Way, and we see the world of Lee as we have known it. We see all the work, the study, the late hours we've kept writing parallels. We see the fun, the parties, the campaign skits; we see the activities, the games, the screaming crowds cheering our teams to victory -- or through defeat.

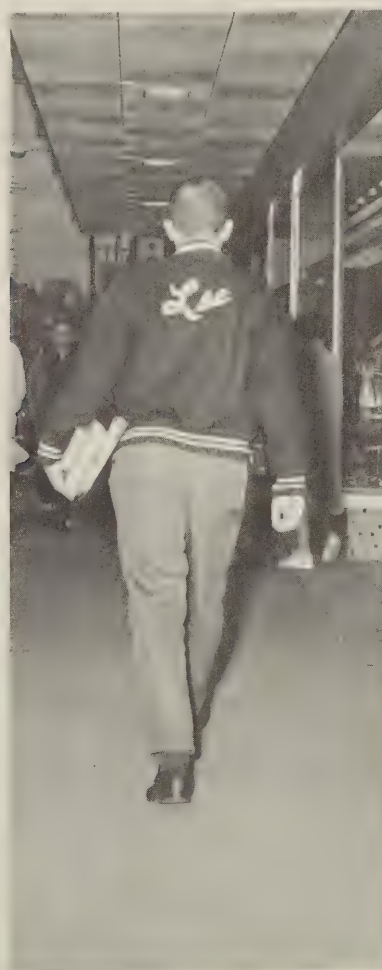

Our purpose here is to learn, and we have indeed spent many hours toiling over books, cramming for exams, memorizing soliloquys, writing papers. Complaining about all the study, it was especially hard to appreciate that test day after the big game. But now we are grateful to our teachers for requiring us to do our best -- they have taught us inspite of ourselves. And yet we hope that this learning has not been one-sided, that we too have made a contribution.

But study and work are not the only ingredients of our world, nor is our world confined within the walls of our school. It is anywhere that two or three or 100 of its students are -- at games, at the record hop, at meetings, at parties. People -- that's what Lee really is -- friends having good times together.

Activities have played an important part in our world here. We've put a lot of work into organizations like the S.C.A., the Leeway, the Record, D.E., D.O., and others. Some of us have taken part in the forensics, in sports, in cheerleading, in band, or in chorus. We have been given the opportunity to develop our interest in things other than the academic. And this is a very important phase of our world. We each look back now and see ourselves -- standing in the rain at football games, selling food at bake sales, making a foul shot in the V.M.I. fieldhouse, trying out for cheerleading, marching in the Apple Blossom Festival, or making a speech in Assembly. The list could go on and on -- for the people at Lee are busy people.

Now we look forward -- to graduation, and beyond that, to a new world. Some of us will continue our education in colleges or business schools, some will begin careers, others will get married. But always we will look to Lee, proud to call her our Alma Mater, proud to have lived in her world. And we hope that our accomplishments in the world beyond Lee will reflect the education and training we have received from her.

## *Senior Class*

Senior Class officers: FRONT ROW; Treasurer, Glenn Haney, Vice-president, Eddie Mullins, Secretary, Dana Garber, President, Jerry Durham, 2nd ROW; Assistant Treasurers, Ricky Chittum, Donnie Reid, 3rd ROW; George Williams, John Goodloe.

The Class of 1963 is the thirty-sixth to be graduated from Robert E. Lee High School, and so is part of a long and revered tradition. Sustaining the school's high standards has been an underlying objective of the Class, as well as the hope of setting new precedents in excellence.

The philosophy *MENS SANA IN CORPORE SANO*, "a sound mind in a sound body," is a worthwhile one, and by applying it, the Class proved itself well-rounded. The best football team in the school's history included eleven Seniors, while twenty-five members of the Class were tapped for the National Honor Society, the largest group to receive such an honor at Lee High.

The Class has enjoyed its years at Lee High, and because it has greatly benefited from them, it can meet the future with spirit and confidence. Perhaps the Class' most important wish is that its achievements serve as an inspiration for succeeding classes.

# *ORGANIZATIONS*

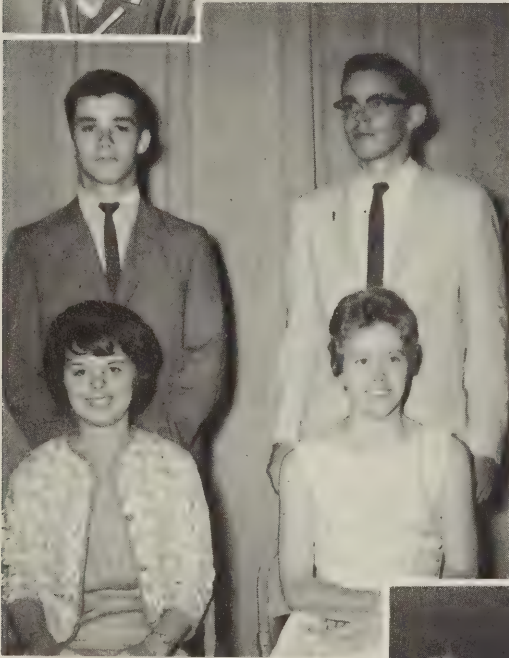

# Student Council

Each student at Lee is a member of the Student Cooperative Association and representatives elected in each homeroom serve on the Student Council. The four officers of the council are elected each spring by the entire student body, and the election campaigns are one of the big events of the school year. The purpose of S.C.A. is to promote better teacher, student, parent relationships, and the Student Council serves the school and the students in various capacities. This year, in addition to other dances, it sponsored the annual Football and Basketball Hops to honor our teams. Special projects of the Student Council during the year were the leading of devotions and the pledge of Allegiance in assemblies, sale of paper and pencils in the cafeteria every morning, keeping of a school calendar, and serving as guides for special school events. At the beginning of the year a special assembly was held for all new students to acquaint them with the S.C.A., and several open meetings were held throughout the year. Lee High served as the host school at the District S.C.A. meeting held here in the fall.

# Leeway

The Leeway Staff this year worked at a more even pace; instead of rushing before deadlines. This was the first Leeway to have full process color, the number of pages was increased by twenty-eight, and a front section was added to give a broader picture of the life of a Lee High student. The staff hopes that it has partially succeeded in pleasing all groups concerned, and that the students of Lee High will have pride in their annual publication.

# Record

EDITOR  
Ann Wilkerson

At the beginning of the school year, the annual RECORD Contest was held to obtain compositions for the winter issue of the magazine. And, for the first time, a prize was offered for an art entry. This year, as in the past, there were two issues of the magazine, and delegates were sent to the Southern Interscholastic Press Association Convention.

At a meeting in Miss Whitelaw's room, several staff members discuss past copies of the Record. Those shown are George Balthrop, Kay Atkins, Sylvia Resch, Ann Wilderson, Deane Dozier, and Connie Harris.

#### COPY STAFF

The D.E. Club began its activities early this year by building and maintaining a Careers Booth at the Staunton-Augusta County Fair. The club officers were installed at the Wilson Social Center in a joint installation service held by the Waynesboro, Wilson, and Lee D.E. clubs. In October, the Lee club attended a Shoplifting Clinic at the Dixie. A Christmas party was held at the Y.M.C.A., and later the club participated in the second annual basketball tournament which was held at Lee High this year. The teams which entered were the D.E. clubs of Lexington, Waynesboro, Wilson, and Lee. The Lee club journeyed to Covington, Va. for the District D.E. Contests and was well represented. The major event of the club year was the Joint Employer-Employee Banquet held at Ingleside with approximately 200 employers and D.E. students from Waynesboro, Staunton, and Augusta County attending.

The club entered regional contests held at Madison College and received recognition in Parliamentary Law, Yearbook, and the Bulletin Board. The F.B.L.A. won special honor for Lee High at the State F.B.L.A. Spelling Contest, as more certificates and seals were won by students of Lee than any other school in the state.

## *Pep Club*

This is the first time in the history of Lee High School that a Pep Club has been organized. It has had a hard time getting started, but with the growing enthusiasm of the Lee High students it may someday become the number one club in the school.

The club's purpose is to promote school pep and good sportsmanship. The members sat together at all the games, decorated the goal posts and the buses, put up posters in the halls, and sold Lee High pins with football and basketball charms on them.

The Pep Club has had a successful first year and now that the foundation has been laid we hope that in future years it will come to be an even more important part of Lee.

## *Hi-Y and Tri-Hi-Y*

The Hi-Y and Tri-Hi-Y clubs of Staunton have always been an important part of school life at Lee, although they are not directly associated with the school. Hi-Y is a Christian organization whose purpose is to "create, maintain, and extend throughout the home, school, and community high standards of Christian character."

This is the goal that the boys of the Hi-Y clubs and the girls of the Tri-Hi-Y clubs seek to attain through service projects throughout the year. The Delta I Tri-Hi-Y washed the boards every Thursday as a service to the school, and the Delta II Tri-Hi-Y wrote the "Thought for the Week" in each homeroom. The clubs had many community service projects, too, such as helping with the Stadium Fund Drive, and collecting baskets of food and clothing for the needy. Several of the Tri-Hi-Y's visited the children at V.S.D.B. and entertained them with parties. Yet the service projects were not limited to home and community, for all of the clubs raised money to contribute to Y.M.C.A. World Service. As a special project the Alpha Tri-Hi-Y sponsored this year, for the fourth year, a foster child in Italy, and the Beta II Tri-Hi-Y made sewing baskets to be sent overseas.

The Hi-Y's and Tri-Hi-Y's also found time for fun in the form of dances and parties. And the Powder-Puff Football Game has now become an annual event between the Alpha and Gamma Tri-Hi-Y's, with the girls playing football while the boys serve as cheerleaders.

The members of Hi-Y and Tri-Hi-Y clubs, whether working on a project or having fun at a party, always strive to live up to their pledge:

"We pledge ourselves to the spirit of service, unselfishly given for others, our minds clean and alert to the voice of the Master, our bodies pure and strong to follow him with courage and faith."

## Majorettes

The Majorettes of the Lee High Band were reorganized this year and participated with the band in several football half-time shows. The majorettes are: Brenda Ralston, Jo Gibson, Dreama Brown, Pat Klinkhamer, Linda Campbell, Jean Tanksley, Head Majorette.

What's this -- a new way of walking? or maybe a Can-can? It's not exactly a Can-can, but it is a dance that the band did in one of their shows.

You'd never believe it (from this angle, anyway), but this is part of a jug. At least, the band hoped it would look like one at the half-time show.

## *Boys' and Girls' State*

Students in the Junior class are selected each year to attend Boys' and Girls' State. Assemblies are held in the summer at V.P.I. and Radford College. Sessions of governmental instruction are on all levels -- local, state, and federal. These are held at the beginning of the week's stay.

The delegates are divided into two parties, Federalist and Nationalist, and into twelve cities. City elections are followed by state elections, and during the course of the week, these officials perform the duties of their positions. Candidates for Governor, Lt.-Governor, and Attorney General are selected and the campaigns terminate with the election of officers for the next session.

FRONT ROW: Chris Petty, Jean Winter, Norman Peeler. SECOND ROW: Bill Dozier, Jim Hanger, Paul Best, Jeff Serfass.

The Seniors playing on the '62 football team are; E. Mullins, R. Paulette, R. Hobson, N. Peeler, S. Layman, T. Richardson, T. Niles, D. Reid, E. Sutton, P. Best, and J. Goodloe.

Remember those summer practices!

The football players get a lot of supervision from their other "coaches."

Tri-captains Tom Richardson, Stuart Layman, and Norm Peeler announce the team's intention to win the Buena Vista ball game.

The team warms up for the Albemarle game.

Lee fans celebrate another victory.

Norm Peeler fights his way through a number of Buena Vista players.

LEE -- 19; BUENA VISTA -- 13

The tension ran high in the last half of our first home game when Buena Vista scored 13 points in the third quarter to overtake our 12-0 half-time lead. However, Ken Huntley saved the day by plunging over the line for his third touchdown of the game. The extra point, scored by Bob Kennedy, raised the score to 19-13. It was an alert Lee High crowd that watched the Leeman hold the Fighting Blues on their last attempt to score. Holding the Blues to a scoreless fourth quarter, the Leemen defeated Buena Vista for the first time since 1952.

Huntley breaks loose for one of those runs which scored all three touchdowns against Buena Vista.

Four Albemarle Patriots struggle to bring down Norm Peeler as he picks up four yards.

Charlie Bishop goes around left end to dodge an Albemarle Patriot.

LEE -- 14; ALBEMARLE -- 0

"Last year Albemarle beat us 13-6 and went on to win the championship. This year we're going to beat Albemarle and win the championship." -- Tom Richardson. The first part of this prophecy came true Friday, September 28, when the Leemen defeated the Patriots 14-0. The truth in the second part remained to be seen. In the first quarter neither team was able to provide the offensive power necessary to break the opposing defense. Finally, late in the second quarter, Larry Smith plunged across the line for our first TD. The extra point, also made by Smith, raised the half-time score to 7-0.

The third quarter showed no change in score, as the ball changed hands frequently. However, Lee was able to monopolize all the offensive action by recovering three Albemarle fumbles. It was on one of these fumbles, late in the fourth quarter, that Lee gained possession of the ball on their own eight. Two plays later saw Ken Huntley scoring our second touchdown with less than two minutes left to play. A pass from Kennedy to Peduto boosted the score to a final 14-0.

John Peduto moves around left end for one of those runs which so often picked up 50 to 80 yards.

LEE -- 34; WAYNESBORO -- 7

Some of the best football played this year, at least from Lee's point of view, enabled Lee High to defeat Waynesboro 34-7 Friday, October 12. Not only did we beat Waynesboro, but the victory boosted us to a state-wide rating of 13th. A victory over Harrisonburg would probably place us even higher in this state-wide comparison. It didn't take the Leemen long to get clicking Friday night, as Ken Huntley scored the first TD soon after the game started. The second quarter brought an 80-yard drive climaxed by a pass from Kennedy to Peeler for our second touchdown. Bishop picked up the extra point and the half-time score stood 13-0!

The third period showed no relaxing on the part of the Leemen, as quarterback Charlie Bishop carried for our third touchdown. Quarterback Bob Kennedy then picked up the point for a score of 20-0. However, this wasn't the end of Lee's action. John Peduto proceeded to "fake the Waynesboro secondary out of their boots" and score on a 45-yard run. Another point scored by Kennedy gave Lee High a total of 27 points to Waynesboro's 0.

The fourth quarter brought a final spark of life to the Little Giants with Phillips scoring on a 64-yard drive. A successful kick raised the score to 27-7. Their glory was short-lived, however, for Bishop was soon passing to John Goodloe for another TD. A pass to Tom Niles made the score -- the final score, 34-7. It was a wonderful night for Lee High, both for the team and the fans!

LEE -- 33; HARRISONBURG -- 6

With this game Richardson's prophecy came true -- Lee had won the Valley District Championship and it looked as if they were headed for an undefeated season. Harrisonburg, a major threat, wasn't so big after all. The Leemen proved this fact by stomping the Blue Streaks 33-6, Friday, October 19. Action started on the first play with John Peduto scoring on a 72-yard run around the right end. Smith picked up the extra point. Harrisonburg still looked tough, however, for they quickly scored on a long pass to make the score 7 to 6.

In the second quarter the game burst wide open with Norm Peeler scoring our second TD. This plus the extra point by Snyder raised the score to 14-6. Not too much later Huntley ran for another touchdown, boosting the score to 20-6.

The third quarter saw Lee scoreless as they picked up a number of penalties. However, early in the fourth quarter Layman scored on a 19-yard pass from Kennedy. Not too much later Huntley scored again -- our fifth and final TD. The extra point picked up on a carry by Bishop rounded out the 33-6 score.

Stu Layman dives for a pass in the end zone that was almost caught by a Harrisonburg player.

Eddie Snyder goes down while carrying the ball in the Lexington game. Lee won 27-0.

FRONT ROW: Bob Kennedy, Steve Corbett, Mike Stewart, Ken Huntley, Larry Smith, Tom Richardson. SECOND ROW: Stuart Layman, Jim Goodloe, John Goodloe, George Williams, Tom Niles, Doug Chandler, Tim Niles.

LEE -- 86; LEXINGTON -- 48

Lee defeated the Scarlet Hurricanes at home, February 15, in a game that was a lot closer than the score indicates. The "scrappy" Lexington boys fought all the way and succeeded in keeping every Lee High player on his toes. The only real break in this action came when Tom Richardson sunk a free throw, and with this point, reached the 1000 mark. A presentation of a basketball by Coach Harbarger and a standing ovation by the Lee crowd completed the ceremony.

Richardson went on to score 14 more for a good night's work of 21 and a grand total of 1014 points. Next in the scoring column was Tom Niles who equaled Richardson's 21 and Jim Goodloe who tallied 12. Steve Corbett provided some of the most outstanding ball-handling as he managed to "take as many passes from the Hurricanes as he did from his mates." With an 86-48 victory, Lee added one more to its list of 15 wins, 0 defeats.

LEE -- 47; BUENA VISTA -- 44

Lee played host to Buena Vista Friday, January 18, in what turned out to be one of the most thrilling games of the season thus far. The excitement began when Buena Vista picked up the lead early in the first quarter and kept it. The Fighting Blues looked tough and it took a combination of Tom Richardson, Jim Goodloe, and the second quarter to get a comfortable lead registered on the score board. This "comfortable" lead diminished quickly in the fourth quarter as the Blues gave one final burst of energy and brought the score to 44-42 with two minutes left to play. Richardson then sank a free throw, only to be matched by a two-pointer by Manuel. A lay-up by Niles climaxed the long two-minute period and Lee chalked up another victory 47-44.

LEE -- 109; NATURAL BRIDGE -- 43

The Lee High Gym rang with the sound of breaking records Monday, February 4, as Lee defeated Natural Bridge 109-43. Not only did Tom Richardson go six better than the previous record for individual scoring by totaling an incredible 43, but the entire team chalked up 109 points to far surpass the old school record of 97. To make a big night even bigger, the Lee crowd happily noted that Richardson had managed to equal the Rockets' final score.

Other than Lee's broken records, there was no real excitement in the game as the Leemen entirely monopolized the action, never giving Natural Bridge a chance to touch the ball, much less score. Besides Richardson, Lee placed three men in the double digits with Jim Goodloe leading at 16. Corbett and R. Dedrick followed with 11 each. The ball game was about as one-sided as a high school game can get, yet it will be one clash that won't be forgotten for a long time.

*... Climaxed by Double Overtime*

LEE -- 70; HARRISONBURG -- 49  
LEE -- 59; BUENA VISTA -- 53

Staunton was shocked speechless in the fourth quarter of the Buena Vista game when the Blues overcame a 9-point deficit to tie the game 49-49 with three minutes left to play. A basket apiece ended the ball game 51-51 and Lee went into their first overtime. The next few minutes were the tensest imaginable as Buena Vista went one better than the free throw scored by Jim Goodloe early in the extra period. With the pressure on, John Goodloe added a much-needed one-pointer to even up the score 53-53. The only other threat came in the person of Manuel who got off a long one from half-court which came closer than we like to think!

Upon the opening of the second overtime, Lee was very much in control. Their purpose was to make Buena Vista foul, and this they did. Jim Goodloe was the object of these fouls as he quickly gathered four free throws supplemented by one apiece from Richardson and Corbett concluding the tournament with a 59-53 victory. Thus, the Leemen carried home the coveted Valley District Championship to complement the equally outstanding football season, along with the opportunity to better themselves at the regional and state contests.

Jim Goodloe and Williams fight for the ball with an unknown Harrisonburg player.

Jim Hartbarger is the athletic director at Lee High and the eighth grade football coach. One of the high-lights of his present career is the basketball team which he coached to a 18-0 district record and which shows the potentiality of becoming State Champions at the time this annual goes to press.

Jim Conger, one of the recent additions to our coaching staff, directs the boys' Physical Education Department this year and also doubles as an assistant varsity football coach.

Alger Pugh in his second year as head football coach put together the best team that's ever come out of Lee High. Not only was his team the Valley District Champions, but the first undefeated team in the history of Lee. As if this wasn't enough, he can also boast of a runner-up track team.

Barbara Johnson, head of the girls' Physical Education Department, had a busy schedule in her first year at Lee. Besides sponsoring the Varsity Cheerleaders, she coached the Girls' Tennis Team and helped organize our first Pep Club.

Jim Taylor, as the J.V. basketball coach, molds any potential he receives into a future varsity team. The students in his classes will always remember the intellectual discussions lead by the "calmest coach" around.

Bill Counts directed a winning J.V. football team and also assisted Coach Pugh in coaching the varsity linemen.

Charles Speck teaches Physical Education at Shelburne Junior High and also helped our team in football. One thing is certain, the Athletic Department was glad to have him.

Novice Deaver, golf pro at Gypsy Hill, is largely responsible for golf's popularity among the high school students. He is known for helping anyone who is willing to battle for a position on the first team.

Katherine Yandell, past physical education teacher, was largely responsible for the newly formed tennis team for girls.

Dick Shenal is another coach we lost this year. Before he left, his baseball team presented Lee with another winning season.

While not coaching various athletic teams, Coach Conger and Coach Counts help out in any way they can. One of their jobs is selling tickets at the basketball games where their "smiling" faces greet every entering spectator.

"The Presidential Trio" -- Steve Golladay, Tom McSwain, and Pete Menk -- is shown here at a Hi-Y meeting, together as always.

## *In Conclusion*

The Leeway staff chose as its goal this year the portrayal of the life of the average Lee High student. In working toward this goal we tried to capture some of the flavor of the after school get-togethers, the spirit of the sport activities, and the genuine interest in achieving a sound education. This we have tried to illustrate in the brief introduction written by two of our staff.

The tone of this publication was intended to be one of sophistication. Between its covers is nothing spectacular, nothing ultra-glamorous. There are however, several obvious innovations which were attempted. For the first time in the history of our school full process color was added, although not at a nominal cost. Even though the length of the Leeway has been increasing slightly every year, it was found necessary to add 28 pages this year over the number contained in last year's. There are several new minor ideas which were also tried but most important is the fact that all improvements were made with no increase in price.

It may seem redundant that "first year in history . . ." and "first time since . . ." occurred so often, but we feel this is only natural for such a history-making year. An extended sports section such as we have came about as a result of the long-anticipated "year-of-victories." We are only sorry we could not include the 1963 spring sports in this volume to round out such a year. But, we must not think that sports activities are the only areas in which we excel. For the past several years the band has been receiving greater notice for its "I" rating at band festival and for its excellent standing at All-District Band. New courses were added to Lee High's curriculum including P.S.S.C. Physics, second year chemistry and new language courses. Certainly one of the "crowning achievements" of the S.C.A. was the obtaining of catsup with some of our meals in the cafeteria.

It would be most ungrateful of us to close this volume of the Leeway without trying to thank everyone who helped us. Our gratitude goes to Mr. Smither and to everyone of the faculty without whose help and kind patience very few pictures could have been taken. I would personally like to thank Mr. Ted Riddle who was a life-saver in helping us meet our deadlines; Mr. Charlie Mott, our yearbook representative, who was most cordial and whose assistance was most beneficial; and certainly most sincerely I wish to thank Mrs. McClung whose patience and endurance gave us the gentle prodding that we needed.
